ACPP Conference Sydney 17th August 2024

UTS Chau Chak Wing Conference Centre Broadway

An In-Person and Open conference focusing on Unity and Diversity in Psychoanalysis and Psychoanalytic Psychotherapy. It is open to therapists of all kinds and those interested in learning more about the psychoanalytic perspective.

The purpose of the conference is to meet like-minded others, to network, to hear about our work and to participate in thinking about the shape of further contributions to the community. A one-day conference with presentations from the Member Associations of the Federation.
